

Campus Safety & Child Protection

A summary of the arrangements in place

The safety of every child on this campus is the responsibility of every adult on it. This summary sets out the standing arrangements. It is issued to parents and reviewed each session.

ACCESS AND SUPERVISION

- The campus is under CCTV surveillance.
- Guards are stationed at the gate and within the premises during school hours.
- Every visitor signs in at reception and is escorted while on the premises.
- Two attendants are assigned to the Pre-Primary section, and two attendants to each higher section.

IDENTIFICATION AND COLLECTION

- Every student carries an identity card recording their parents' details.
- Only a person authorised on the student's record may interact with or collect a child.
- A change of authorised person must be notified to the school office in writing.
- Children travelling by auto or school van are handed over only to the named driver.

HEALTH AND WELLBEING

- A canteen facility provides a complete and healthy diet during the school day.
- Drinking water is available on every floor.
- Class teachers are expected to notice and report changes in a child's attendance, work or manner.
- Parents are contacted the same day if a child is unwell.

RAISING A CONCERN

Any concern about a child's safety should be raised immediately with the class teacher, the Head Mistress or the Principal. Concerns are acted on the same day. The school office may be reached on +91 96577 66740.

This document is a summary. Certified copies of the school's building, fire safety and recognition certificates are held at the school office and are available for inspection by any parent on request.
